

MI Appoints its First Member Firm in Croatia

Euroconsulting is the newest firm to join Morison International (MI) and will represent the association in the regions of Primorsko-Goranska and Istria in Croatia.

The firm was established in 1995 and has three partners and c.20 staff based in the city of Rijeka. Its core services are accounting, audit, tax, management consultancy and due diligence.

Euroconsulting's clients operate in a wide range of sectors including real estate, industrial production, wholesale/retail trade and tourism. A number of the firm's clients have overseas business interests in countries including Italy, Germany, France, UK, USA, Greece, Poland and India.

The International Liaison Partner for Euroconsulting will be Mr Adriano Marcotulli who is the founding partner of the firm.

On behalf of all member firms, MI would like to welcome Euroconsulting to the association!
