

MI Strengthens its US Presence

Morison International (MI) is pleased to announce its newest member firm Flackman, Goodman & Potter, P.A. (FGP). The 7 partner firm is based in Ridgewood, New Jersey (NJ), USA.

FGP's services include accounting, audit, tax and corporate finance. The firm serves a wide-range of industry sectors including aerospace, manufacturing, distribution, business services, contractors, and private equity.

With a long-history of working with private equity investors FGP have dedicated teams for performing transaction advisory services. Last year the firm was nominated as a finalist in the M&A Advisor International M&A Awards for their transaction advisory services work.

FGP's clients have business interests in Australia, Austria, Canada, China, India, Japan, and United Kingdom.

Founded in New York City in the 1920s, FGP moved to Bergen County, NJ in the mid-1950s. The firm has been serving its accounting, auditing, tax, and transaction advisory clients from its present Ridgewood office since 1977.

FGP will complement Marks Paneth & Shron (MP&S), MI's existing member in the New York/New Jersey region.

Mr Jonathan Moore will be the international liaison partner for the firm.

On behalf of all member firms MI would like to welcome FGP to the association!
