

Morison International Appoints 9th Member in Germany

Morison International (MI) is pleased to announce the appointment of its 9th member firm in Germany - Ehler Ermer & Partner (EEP).

EEP will complement MI's existing German members by representing the association in Rendsburg and Flensburg in the state of Schleswig Holstein in the North of the country close to the Danish border.

The 9 partner firm has over 100 staff and is one of the largest professional service firms in Schleswig Holstein. The firm, which was founded in 1951, offers a wide range of accounting, audit, tax and legal services.

EEP's client base varies from small private companies to large global businesses many of which have business interests outside their own country including China, India, Canada, UAE and Chile.

Mr Hannes Nebelung will be the International Liaison Partner for EEP.

On behalf of all member firms, MI is delighted to welcome EEP to the association.
