

Top 10 Romanian Firm Joins Morison International

Boscolo & Partners is the newest firm to join Morison International and will represent the association in Romania from August 2011.

The firm has four partners and over 100 staff based in three offices in Romania. The first office was opened in 1994 in Bucharest; the second office was established in Timisoara in 1999, followed by the office in Cluj in 2005. The firm is ranked in the top 10 accounting firms in Romania.

The firm's service offering includes accounting, auditing, tax services and legal advice. Boscolo and Partners' clients include over 300 international companies in sectors such as manufacturing, services, construction, distribution, retail, real estate and banking.

BOSCOLO & PARTNERS

The International Liaison Partner for Morison International is Roberto Turchetto who is a tax partner for the firm. All partners have strong international backgrounds and are members of The Chamber of Financial Auditors of Romania (CAFR) and The Romanian Chartered and Certified Accounts Body (CECCAR).

On behalf of all member firms, Morison International would like to welcome Boscolo & Partners to the association!
