

Brazilian Representation Further Strengthened

APSYS Consultoria e Avaliações Ltda (APSYS) has joined Morison International (MI) strengthening MI's representation in Brazil.

The firm offers advisory services such as M&A, financial assessment and is very strong in business valuation. The firm will provide member firms with corporate finance services in Rio de Janeiro. The 6 partner firm has a high profile in Brazil and has extensive international experience.

APSYS also has an engineering consulting firm within its group, offering services such as fixed asset management and real estate valuation. The combination of APSIS' corporate finance services and its complimentary engineering consulting services could create some interesting business opportunities for member firms in this emerging market.

The firm joins existing Brazilian MI members M/Legate Soluções Empresariais and Promissor Consultoria e Contabilidade Ltda.

On behalf of all member firms, MI is pleased to welcome APSIS to the association.
