

Latin America Representation Strengthened

Morison International (MI) would like to announce its newest member firm - Quantum Consultores in Lima, Peru.

Quantum Consultores was established in 2005 and has over 40 staff. The firm provides accounting, tax compliance and planning, tax audit and consultancy services. The firm also has considerable expertise in IFRS.

The firm serves a wide range of clients operating in a variety of industries – including construction, finance, NGOs and mining.

Ms Marysol Leon, CEO and founder of the firm, will be the international liaison partner for the firm.

The appointment of Quantum Consultores is a significant development, given the recent economic expansion of Peru, and will further strengthen MI's Latin America region.

On behalf of all member firms, Morison International would like to welcome Quantum Consultores to the association.
