Morison KSi recruits a member in Andorra

Morison KSi is pleased to announce its newest member firm - Pere Lopez Economistes.

Pere Lopez Economistes was established in 2011 and is located in the business district of Andorra's capital city, Andorra la Vella.

Pere Lopez Economistes is a multilingual (Catalan, English, French and Spanish), full-service firm working in a variety of industries including tourism, real estate and transport. The firm's clients have a range of international business interests outside the country including in Argentina, France, Spain and Turkey.

With the country's recent tax legislation reforms, Andorra is opening up to the world economy, making it an interesting jurisdiction for Morison KSi and its members. Currently, only two of the Big Four (Deloitte and KPMG) have a presence in Andorra.

Partner Pere López Agràs will be the International Liaison Partner for the firm.
